

SMD-50CRM**Cuisinart® Precision Pro 5.5-Quart Digital Stand Mixer**

Introducing the digital stand mixer with the perfect blend of power, precision, and speed! Equipped with a high-performance 500-watt motor, the Cuisinart Precision Pro Digital Stand Mixer powers through even the heaviest mixing jobs in a 5.5-quart large capacity bowl. A turn of the digital LED dial is all it takes to select from 12 speed options, including 3 preprogrammed food prep settings and 7 recipe tasks to be performed in each food prep setting. Premium attachments include chef's whisk, flat mixing paddle, dough hook, and splash guard with pour spout for maximum versatility with minimal mess. Die-cast housing provides superior durability, and commercial mixing for today's kitchen ensures precise, thorough mixing. Leave it to Cuisinart to combine digital convenience with powerful performance in the must-have stand mixer for today's home chef.
