Cuisinart® Grind & Brew Single-Serve Coffeemaker

Make the perfect cup for one with the Grind & Brew Single-Serve Brewer by Cuisinart[®]. Designed to brew the most flavorful coffee with ease and convenience, this compact coffeemaker grinds whole beans to the ideal consistency for optimal flavor using a conical burr grinder, then feeds them into the HomeBarista [®] reusable filter cup to be brewed. The HomeBarista [®] can also be filled with pre-ground coffee or you can use your favorite single-use coffee pod. With three ways to brew and three size options, crafting the perfect cup is easy, fast, and extra enjoyable!

- -Brew a single serving with freshly ground beans or use your favorite pod
- -Conical burr mill automatically grinds whole beans grinds directly into the HomeBarista ® Reusable Filter Cup
- -Hopper holds 100g of beans, sealed lid keeps beans fresh
- -Push button control for 3 beverage sizes: 8, 10, 12oz.
- -Removable 48oz. water reservoir
