Cuisinart® Combo Juice Extractor/Citrus Juicer

Turn any countertop into a juice bar with the space-saving 2-in-1 Juice Extractor and Citrus Juicer by Cuisinart®. Interchangeable attachments, constructed with durable plastic and stainless steel, lock onto the slip-proof base and maximize juice extraction with minimal mess. Custom-designed for rapid juicing, the Extractor turns fruits and vegetables into nutritious juice blends with a grinding disk, 220-watts of centrifugal force, and micro-mesh basket that finely filters out pulp and peels. Change to the high-powered, push-activated Citrus Juicer to ream citrus right down to the rind. With automatic reverse, final spin, and 3 pulp preference settings, it's easy to make perfect tart and tasty citrus-ades in countless flavor combinations.

- Centrifugal juice extractor/citrus juicing all in one unit
- Easy On-Off-Reverse operation
- 1 Transparent juice container, 28oz.
- Adjustable citrus juice reamer for high, medium, low pulp control
- Drip stop
- Cleaning brush
- BPA Free
