

DCC-1170BK

Cuisinart® 10-Cup Thermal Classic™ Coffeemaker

The Cuisinart® 10-Cup Thermal Classic Coffeemaker brings fresh coffee brewing to your kitchen with classic styling that's beautiful, functional, and easy to program. Brew 1-4 cups—or as many as 10—in the large, thermal carafe, where coffee stays hot for hours. The insulated carafe features an ergonomic handle, knuckle guard, and drip-free spout for safe, fuss-free serving. Brew time is programmable up to 24 hours ahead and the Brew Pause™ feature makes it simple to pour a quick cup in the middle of a cycle. Dual gold-tone and charcoal filters purify the water to brew the most delicious cup of the day, made right at home with Cuisinart®.

- 10-cup thermal carafe keeps coffee hot for hours
- Fully automatic with 24-hour programmability, self-clean and a 1-4 cup setting for smaller brews
- Easy-to-Read LCD Clock
- Brew Pause™ feature lets you enjoy a cup of coffee before brewing has finished
- 60-second reset "remembers" where it was in the brewing process and settings
- Gold tone commercial style permanent filter
- Charcoal water filter removes impurities
- Limited 3-year warranty
